CAREER OBJECTIVE

Data Analytics major with a passion for computer programming, data analysis and human behavior. Seeking an internship position with a progressive organization where strong work ethic and energy can be used to gain experience while exploring career paths. Eager to accept new challenges and flex analytical and problem-solving skills.

EDUCATION:

Acme University, City, State
Bachelor of Science, Data Analytics | Minor in Anthropology and Sociology
Graduation Date: May 2021

WORK EXPERIENCE

June – August 2018, Summer Camp Counselor
Worked with children of varying age, interest, skill and developmental levels. Ran the aftercare program, performed administrative duties and helped maintain the camp database.

March 2017, University of Acme Medical Center
Shadowed doctors in the audiology, ear, nose, and throat, and otorhinolaryngology oncology departments at the medical center for nine days (three days in each department).

Fall 2016, Women in Science and Engineering
Partnership between ABC High School and XYZ University. Worked with an organic chemistry graduate student to assist his research. Worked twice a week for 15 weeks and gave a capstone presentation of the material.

MEMBERSHIPS & ACTIVITIES**One Love Club**

Club that brings awareness and prevention to domestic violence in relationships. Attend seminars on safe relationships and training on bystander intervention. Trained to lead a One Love workshop based on the film, Escalation.

Sports Analytics Club

Examine the analytical relationships between different sports, teams and players. Participate in discussions with a sports analyst and compare game statistics for current basketball season and last baseball season.

Acme Coalition for Sexual Respect

Club that explores initiatives for improving the party culture on campus. Participated in the inaugural sexual respect dinners that facilitated dialogue between students, faculty, staff, alumni, and board members.

Survivor Support Ally Program, Acme University

Trained how to respond to someone in crisis, how to successfully guide a survivor to find help out of an unhealthy relationship, learned how to listen survivors with empathy and respect while recognizing trigger words or warning signs, and learned how to deal with secondary trauma or vicarious trauma.

COMMUNITY SERVICE**Big Brothers Big Sisters of ABC County**

Youth mentorship volunteer organization. Have lunch once a week with an elementary school student who needs mentorship for either social or academic reasons.

Mothers, Inc., May 2017

Participated in an organization of mothers and children dedicated to nurturing future African American leaders through development, volunteer services and philanthropic giving and civic duties.

The Samaritans (2016 – 2017)

Volunteered at a center for trafficked women in the city. Participated in assisting the women living in the house with yard work and meal preparation.

ABC Food Pantry, City, State, 2013 – 2017

Gathered and donated canned goods to homeless citizens.

SKILLS**Computer:**

Intermediate: Python, RStudio, Jupyter Notebook, SQL (raw and alchemy), Basic: Tableau, and Microsoft Excel

French: Communicative level
